## 2011-2012 Performance Analysis

### *Core Question 1: Is the educational program a success?*

| 1.1. Is the school's academic performance meeting state expectations, as measured by Indiana's accountability system? |  |
|---|--|
| Does not meet standard  | School has received an 'F' for the most recent school year OR has received a 'D' for the last two consecutive years. |
| Approaching standard  | School has received a 'D' for the most recent school year.   |
| Meets standard  | School has received either a 'B' or 'C' for the most recent school year.   |
| Exceeds standard  | School has received an 'A' for the most recent school year.  |

**Not Applicable.** Hope Academy does not have enough students enrolled at the school for a school grade to be calculated.

| 1.2. Are students making substantial and adequate gains over time, as measured using the Indiana Growth Model? |   |
|--|---|
| STANDARD   | Value-added analysis indicates that more than 75%-89% of tested students made sufficient gains. |

**Not Applicable.** Hope Academy serves grades 9-12. Analysis of substantial and adequate gains over time is only available currently for schools serving grades K-8.

| 1.3. Is the school outperforming schools that the students would have been assigned to attend? |  |
|--|--|
| STANDARD   | School's overall performance in terms of both proficiency and/or growth is generally as good as that of the schools the students would otherwise have been assigned to attend. |

**Not Applicable.** Hope Academy serves grades 9-12. Analysis of the school's performance in comparison to schools students would have been assigned to attend is currently only available for schools serving grades K-8.

| 1.4. Is the school meeting its school-specific educational goals? |  |
|---|--|
| STANDARD  | School has clearly met its school-specific educational goal. |

**Not Evaluated.** Hope Academy did not have school-specific educational goals to be evaluated for 2011-12.
